

MUSICAL MOTIF CHIMES

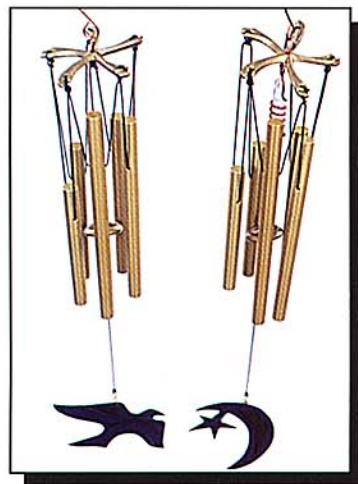

Bright cheerful chimes are tuned to add pleasant harmonies to your choice of motif designs. The brass motif is finished in a beautiful verdi patina. Durable stainless steel wires support the silver aluminum chime. Approximate total length 21".

MEDITATION

Patina & Natural Brass

Tibetan meditation chimes originating in the Himalayas inspired this solid brass design that resonates relaxing harmonies. Available in Patina or Natural Brass, these chimes are available with any of our wind catcher motifs. Approximate total length 20".

SERENITY

&

CRYSTAL SERENITY

The Serenity Chimes sound a clear resonant timbre. The aluminum chime rings a pure brilliant note of its own, while together they produce a serenely relaxing harmony. Available with natural quartz crystal, and your choice of motif. Approximate length 30".

HARMONY

Resonating with the deep richness of tone that only fine brass can achieve, these chimes are offered in three beautiful tunings. Finished in a lovely verdi gris patina and available with any wind catcher motif, these chimes feature the intriguing swirling star top and yin-yang striker. Approximate total lengths 30", 36", and 46".

LOVE CHIME

Patina & Natural Brass

Arouse a gentle ambiance of love with our original and most elaborate chime design. The resonant brass tubing in our Love Chime is custom made expressly to Harmony Hollow specifications. The exclusive design is distinguished by the brass symbol on top – a heart inside a star, inside a heart. The chime striker is created in the image of Tibetan meditation chimes. The chime is assembled with solid brass chain to ensure a lifetime of loving harmony. Total length 35".
