

HARMONY HOLLOW

Interior & Garden Accents

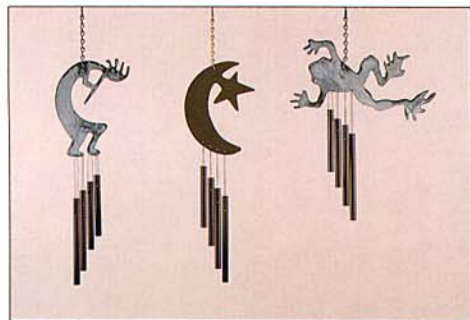

BELLS WITH MOTIFS

Adding variety and character to any of our small bronze windbells, they are available with brass motif hangers. Finished in natural brass, we offer the hanger in any of our motif designs.

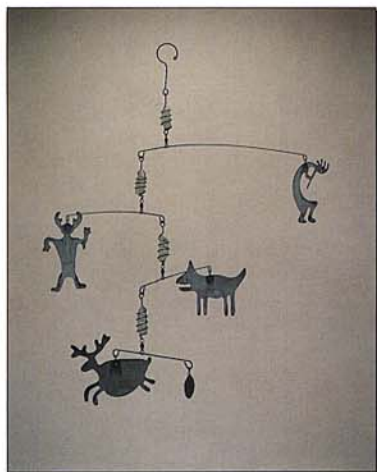

PLANT & GARDEN MOTIFS

Accent a garden or planter with decorative playful images. Patinaed brass motifs available in three sizes. The two smaller sizes come on a flexible brass rod allowing them to sway in the wind. The large size comes on a sturdy copper stake.

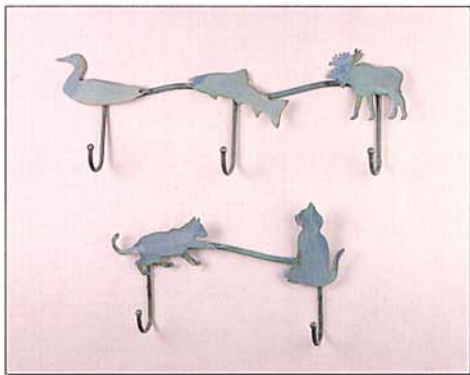

MUSICAL MOTIF CHIMES

Bright cheerful sounding chimes add pleasant harmonies to your choice of motif designs. The brass motif is available in natural or patina finish. Durable stainless steel wires support the black aluminum chimes.

MOBILES

Kinetic sculpture, for indoors or outdoors, in three different modes; the Mobile, Crystal Mobile (shown above), and Mini Mobile. We offer a variety of motif themes, listed on our price sheet, but you're welcome to select a combination from the many motifs we have available. The mobiles are made of brass and feature ball bearing swivels. The Crystal mobile and Mini mobile are ornamented with quartz crystals wrapped in copper.

GARMENT HANGERS
